

Access and use of HackerLab facilities

- temporary contract v.1.0

With the signature of this document, I am in agreement with and accepting the following:

- No equipment owned by the HackerLab/DTU may leave the room without agreement thereof
- Under no circumstances will activities in the HackerLab be directed towards companies, individuals, institution, states and likewise i.e. no activities "out of the room".
- That I do not give access to people, that are not associated with HackerLab. If in doubt, contact the Lab responsible.
- When studies at DTU has ended, the association to HackerLab is terminated. Access to the room and equipment is removed without further notice.
- That access and association to HackerLab is continuously revised by the Lab responsible and can at any time be withdrawn

Furthermore I am in concordance and aware of following rule sets:

- At any time in effect is disciplinary measures and IT-security for students at DTU: <https://www.inside.dtu.dk/da/undervisning/regler/disciplinaere-regler> (Can be handed out)
- The attached generally covering guidelines for ethical hacking.
- Common danish laws, including order of laws about radio frequencies (frequency laws), criminal code, personal data laws, copyright laws etc.

At suspicion of violations of above stated conditions the DTU judicial department is contacted
